SA505

Bluetooth® Wireless Stereo Headset

The SA505 enables you to manage both your phone calls and music reproduced by a mobile phone, MP3 player, PC or any other Bluetooth-enabled device. When calls are received or ended the SA505 provides seamless automatic switching between the music and call.

U N I Q U E A D V A N T A G E S

Exceptional stereo sound

Richer sound thanks to high output 50 mm stereo speakers
Better sound quality thanks to Bluetooth 2.0 and DSP

Sliding microphone for better voice quality

Slide out the microphone to make or pick up a call, slide it back to hang up

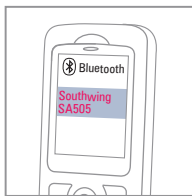

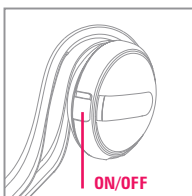

Push4™ Favourite number button

Store your favourite number for direct dial

A U T O M A T I C P A I R I N G

(Pairing for the first time)

1. Make sure your headset is charged
2. Activate Bluetooth on your mobile phone
3. Turn on the headset. The headset is already in pairing mode (*)

4. Search for new device in your mobile phone
5. Select your headset from the list
6. Enter the PIN number: 1111

If pairing is successful, the Indicator Light will flash every 3 seconds.

(*) For additional pairings, press the ON/OFF button for 5 seconds
